**Business Requirement / Issue:** What is the business requirement / issue? Cite any applicable statute/rules, and attach a copy, if desired.

We are looking for clarification on what happens when you change jurisdiction on a claim. Can you please verify, based on this criteria within the Claims R3.1 Implementation Guide, if the Jurisdiction changes after a suspension has been sent with a suspension reason of S1 (or any other reason other than S8) and the jurisdiction then changes we would need to send the second SX with the S8 to let the state know it has change jurisdiction?

1. Is the information currently being collected at this time by the submitter? If yes, detail current method of collecting the information. **Yes**

EDI

2. If the information is not currently being collected, what timeline does the submitter expect or require for implementation of the proposed change?

3. What other methods of collection or reporting, if any, have been considered?

**Requester's Proposed Solution (optional):**

To allow in 3.1 a SX with a suspension code of S8 to follow a prior suspension.
