Business Requirement / Issue: What is the business requirement / issue? Cite any applicable statute/rules, and attach a copy, if desired.

Virginia noticed SROI AB is missing as an impacted MTC in both the definition and DP rule for DN0192 - Benefit Payment Issue Date. It does appear to be included in the Event Benefits Segment Requirement of the ERT though.

1. Is the information currently being collected at this time by the submitter? If yes, detail current method of collecting the information. **No**

Not collected currently but will be when Virginia goes live with Release 3.1 in January 2025 and accepts the SROI AB

2. If the information is not currently being collected, what timeline does the submitter expect or require for implementation of the proposed change?

3. What other methods of collection or reporting, if any, have been considered?

Virginia will still collect it.

Requester's Proposed Solution (optional):

Requesting to have AB added to both the definition and DP Rule for DN0192 - Benefit Payment Issue Date
