Business Requirement / Issue: What is the business requirement / issue? Cite any applicable statute/rules, and attach a copy, if desired.

The definition of Claim Type Code (DN0074) - Code N has a last bullet that excludes its use with an initiating SROI PY. New Mexico requires an initial SROI PY for funeral expenses & attorney fees with no medical expenses or indemnity paid. (See attached for additional information)

1. Is the information currently being collected at this time by the submitter? If yes, detail current method of collecting the information. Yes

EDI - Currently New Mexico collects the initiating SROI PY for legal and/or funeral expense-only claims with Claim Type Code = N in Release 1.0.

2. If the information is not currently being collected, what timeline does the submitter expect or require for implementation of the proposed change?

11/7/2025

3. What other methods of collection or reporting, if any, have been considered?

None, New Mexico does not paper forms.

Requester's Proposed Solution (optional):

Remove PY from the Note for Claim Type = N and add a bullet nothing that PY may be used for initial payment of OBTs other than medical for claim type code N
