Business Requirement / Issue: What is the business requirement / issue? Cite any applicable statute/rules, and attach a copy, if desired.

This IRR to being entered to determine how to handle changes to the Secondary Address fields on a MTC 02 transaction since Secondary Address fields are used for overflow text only.

1. Is the information currently being collected at this time by the submitter? If yes, detail current method of collecting the information. **Yes**

2. If the information is not currently being collected, what timeline does the submitter expect or require for implementation of the proposed change?

3. What other methods of collection or reporting, if any, have been considered?

Requester's Proposed Solution (optional):

If the TP sends the only primary address DN in the change segment then a jurisdiction should consider both primary and secondary as updated.
